Exhibitor Spotlight

Hi! My name is Kali Wealch and I compete in the youth and amateur divisions! I've ridden horses since I was born, after I outgrew my pony I rode my Grandpa's old Arabians until he bought me my first Morgan horse KFM Main Contender (Conner) and I've shown him in Western equitation and pleasure as well as in 4H I competed in all seats including gaming! I outgrew Conner my junior and senior year of high school and I was fortunate enough to have been given an opportunity to ride a bigger Morgan, Snoopy. We competed in junior exhibitor hunt and western. I've won many awards with both of my Morgans and I would never change it for the world! I love that I can do anything with this breed and they will perform!

I will soon be graduating from Washtenaw Community College with a associates degree in Powertrain testing technician and I will be transferring to Ferris state online bachelors in automotive management degree. This fall I will also be working a internship at Walt Disney World!

I can't wait to get back in the saddle this season with Never Ending Farm and the minute I return from Disney to find a Morgan to start showing again! And maybe this time in the reining division.
